1. The offices of the Security Police in Stalin (Brasov) are located in a large building occupying the entire plot between Nos. 10 and 14 in 30 December Street. 25X1
2. There is an acute shortage of water in the town. Running water is available only during the night, until 9 a.m. Ice is not available, apparently because of the breakdown of the equipment in ice plants and the lack of spare parts. The shortage is felt at the hospitals which do not get the necessary supplies for the preservation of certain drugs. The Soviet penicillin, which must be kept on ice, is rendered unusable.
3. There is a jamming station in Stalin, operated and guarded by the military.
4. The taxes to be paid by privately owned stores in 1954 have been raised from 1,500 lei to 6,000 lei per year. 25X1
